Good morning {firstname},

This is one of those photographs where you look up and realise just how amazing the colours of autumn leaves are as they cycle from green through yellow to brown and finally something akin to rust before dropping. These Tulip tree leaves, so called because of their shape, capture this perfectly. I love the variety of colours against the deep blue of an October sky.

Google reviews

If you are enjoying *The Monday Picture*, I would really appreciate it if you could spare a couple of minutes to write a short review about my photography on Google please. The button below will open the page for you.
